SUBJECTS and NAMES

A

ABNER, GERALD H.
Implementation of Assistive Technology with Students Who Are Visually Impaired: Teachers' Readiness—February 98–105

ACCESSIBILITY
Access Event—April 282
Access to Multimedia Presentations for Students with Visual Impairments—April 197–211
Accessible Virtual Adventure Game—March 185
AFB Launches Livable Communities Study—October 754
Agency Sues U.S. Government Over Inaccessible Currency—June 470
Art Institute's Web Site Offers Accessible Virtual Tours—January 55
Assistive Technology Needs in Public Libraries: A Survey—August 549–557
Audio Description Rules Implemented—May 367–368
Awards—April 283
Book for Web Site Developers—June 474–475
Book on How to Find E-Books—June 475
Books on Workplace Accommodations—June 474
Certificate Program on Assistive Technology—May 367
The Conundrum of PDF Accessibility—September 684–686
Described Shows For Fall Television Lineup—October 750–751
Electronic Ballot Approved in Alaska—May 367
Employment Barriers: Access to Assistive Technology and Research Needs—September 664–667
Free Program Provides Access to Mathematical Data Analysis Software—March 184–185
Ground Breaks on National Research and Training Institute in Maryland—March 182
Guidebook on Producing Accessible Materials—May 372
How Accessible Is Windows XP?—September 681
Launch of Digital Talking Book Program—November 815–816
Managing Diabetes with a Visual Impairment—September 682–684
Medicare Research Studies—February 117
New Accessibility Consulting Service—May 370
New Technology and Employment Center in West Virginia—March 182–183
A Practical Guide to Accommodating People with Visual Impairments in the Workplace. Karen Gourgey, Mark Leeds, Tom McNulty, and Dawn Sauvino. New York: Computer Center for Visually Impaired People (CCVIP), Baruch College, City University of New York. Reviewed by Anthony R. Candela—September 678–681
Progressive Report on New Freedom Initiative—July 536–538
A Qualitative Analysis of Employers' Experiences with Visually Impaired Workers—September 622–634
San Francisco Case Sets Precedent for National Sidewalk Access—July 538
Space Science Kit—February 116
Supporting the Transition of Visually Impaired Adults to Employment: European Union Innovations—September 645–654
Tool for Rich Media Access—September 691
Universal Tailored Access: Automating Setup of Public and Classroom Computers—June 448–451
Updated Web Site Accessibility Analysis Tool—February 122

ADJUSTMENT
Coping with a Visual Impairment Through Self-investigation—November 783–795
Psychosocial Adjustment and the Meaning of Social Support for Visually Impaired Adolescents—January 22–37
The Views of Students with Visual Impairments on the Support They Received from Teachers—August 558–575
What Does the Future Hold? A Follow-up Study of Graduates of a Residential School Program—December 842–851

ADOLESCENTS
CNIB, IBM Offer Technology Camp to Teens With Visual Impairments—October 752
The Effects of Practice with Prescribed Reading Glasses on Students with Low Vision—November 765–782
The Effects of the Physical Features Associated with Albinism on the Self-esteem of African American Youths—March 133–142
Psychosocial Adjustment and the Meaning of Social Support for Visually Impaired Adolescents—January 22–37
Social Acceptance of Adolescent Mainstreamed Students with Visual Impairments—November 808–811

ADRIAANSEN, JULIA J. M.
Reading and Spelling Competence of Dutch Children with Low Vision—June 435–447

ADVOCACY
Free Advocacy Manual—January 58

AFRICAN AMERICANS
The Effects of the Physical Features Associated with Albinism on the Self-esteem of African American Youths—March 133–142

AGENCY NEWS
Achievement Award—March 183
AFB Launches Livable Communities Study—October 754
Agency Sues U.S. Government Over Inaccessible Currency—June 470
Award Applications Sought—January 56
Awards—April 283
Awards—November 813–814
Blindness Field Leaders are Memorialized in Museum—May 366
Call for Papers—March 183
Call for Papers—April 283–284
Celebrate National Vision Rehabilitation Day—October 754
Change of Address—April 284
Change of Address—May 367
Employment Program for Latinos With Disabilities—May 366
Eye Care—January 55
Fundraising Adventures Help U.K. Agency—March 183
Grant—January 56
Ground Breaks on National Research and Training Institute in Maryland—March 182
Internships—February 116
Literacy, Technology, and Textbook Transcribers Campaign Launched—December 861
National Employment Center Establishes E-Mail Hotline—July 538
National Employment Office Created in San Francisco—June 469–470
National Federation of the Blind Expands—August 602
New Technology and Employment Center in West Virginia—March 182–183
Nominations Are Invited—May 366
Technology—January 55–56
Verizon and AFB Team to Promote Braille Textbook Transcribers—September 686
Vision Loss Conference Announces Keynote Speakers—May 367
World Health Organization Launches Project to Prevent Blindness in Children—September 686

AGING
Employment Patterns of Older Workers with Visual Impairments—September 655–658
Experiences of Older Adults Who Stopped Driving Because of Their Visual Impairments: Part 1—June 389–398
Experiences of Older Adults Who Stopped Driving Because of Their Visual Impairments: Part 2—July 485–500

Experiences of Older Adults Who Stopped Driving Because of Their Visual Impairments: Part 3—October 701–710
Grant—January 56
Ground Breaks on National Research and Training Institute in Maryland—March 182
A Group Intervention for Visually Impaired Grandparents—October 741–743
The Impact of Depression in Older Adults with Age-Related Macular Degeneration—June 399–406
Medicare Beneficiaries and Disability Organizations File Suit in Federal Court—October 749–750
Online Pamphlet on Vision Loss and Aging—May 370
Strategies for Employing Older Workers with Visual Impairments—September 672–675
Study Focuses on Genetic Causes of Age-Related Macular Degeneration—April 281
Video on Working with Older People with Visual Impairments—June 473

AIRLINES
Fact Sheet on Air Travel—May 372

ALABAMA
Alabama State Quarter to Feature Helen Keller—December 860

ALASKA
Electronic Ballot Approved in Alaska—May 367
Special Education, Service Agency—January 64

ALBINISM
The Effects of the Physical Features Associated with Albinism on the Self-esteem of African American Youths—March 133–142

ALMON, PAM
Visually Impaired Personnel Preparation Program: A Collaborative Distance Education Model—April 233–244

AMATO, SHEILA
Standards for Competence in Braille Literacy Skills in Teacher Preparation Programs—March 143–153

AMERICAN ASSOCIATION FOR PEOPLE WITH DISABILITIES (AAPD)
Centers for Medicare and Medicaid Services Propose Revision to National Coverage Determinations—October 750
Medicare Beneficiaries and Disability Organizations File Suit in Federal Court—October 749–750

AMERICAN COUNCIL OF THE BLIND (ACB)
Agency Sues U.S. Government Over Inaccessible Currency—June 470
Guidebook on Producing Accessible Materials—May 372
Medicare Beneficiaries and Disability Organizations File Suit in Federal Court—October 749–750

AMERICAN FOUNDATION FOR THE BLIND (AFB)
AFB Launches Livable Communities Study—October 754
Awards—April 283
Awards—November 813–814
Free Advocacy Manual—January 58
Grant—January 56
Internships—February 116
Literacy, Technology, and Textbook Transcribers Campaign Launched—December 861
Medicare Research Studies—February 117
National Employment Center Establishes E-Mail Hotline—July 538
National Employment Office Created in San Francisco—June 469–470
New Accessibility Consulting Service—May 370
New Technology and Employment Center in West Virginia—March 182–183
Nominations Are Invited—May 366

 ©2002 AFB, All Rights Reserved

Rehabilitation Counseling Course—January 54
Revised Edition of *Early Focus* Hits the Shelves—November 815
The State of California Establishes Separate Division for the Blind—November 812
Technology—January 55–56
Toy Guide for Children Who Are Visually Impaired—January 58
Verizon and AFB Team to Promote Braille Textbook Transcribers—September 686
Video on Employment—January 59
Video on Employment—February 120
Video on Working with Older People with Visual Impairments—June 473

AMERICAN OPTOMETRIC ASSOCIATION
Eye Care—January 55

AMERICAN PRINTING HOUSE FOR THE BLIND (APH)
Appointment—April 284
Appointment—May 369
Awards—February 118
Blindness Field Leaders are Memorialized in Museum—May 366

Appointments—August 602
Appointments—September 688–689
Appointments—October 755–756

ARIZONA
Promotion—June 470

ARKANSAS
Rehabilitation Counseling Course—January 54

AROUND THE WORLD
Brailled Kanji: The Hasegawa Approach—October 743–746

ART
Art Institute's Web Site Offers Accessible Virtual Tours—January 55
Ballet School for Children Who Are Blind in the News—March 182
Preview of Exhibit Collection on Sight—March 181–182
Tactile and Recorded Book on Art History—May 372
Tangible Picture Matching by People Who Are Visually Impaired—May 349–353

ASHMEAD, DANIEL H.
Biomechanical Movements in Experienced Cane Users With and Without Visual Impairments—July 501–515
Changes in Biomechanical Features of the Two-point Touch Technique as It Is Learned—December 829–841

ASSESSMENT

Athletes with Visual Impairments: Attributes and Sports Participation—April 267–272
Change in Visual Perceptual Detection Distances for Low Vision Travelers as a Result of Dynamic Visual Assessment and Training—January 7–21
Coping with a Visual Impairment Through Self-investigation—November 783–795
Engagement in Cooperative and Individual Tasks: Assessing the Performance and Preferences of Persons with Multiple Disabilities—January 50–53
Home-based Environmental Lighting Assessments for People Who Are Visually Impaired: Developing Techniques and Tools—February 109–114
Testing Nonverbal Intelligence of Working-age Visually Impaired Adults: Evaluation of the Adapted Kohs Block Design Test—August 585–595

ASSISTIVE TECHNOLOGY

Accessible Virtual Adventure Game—March 185
And Then There Were Two: A Review of Notetakers—February 115–116
Assistive Technology Needs in Public Libraries: A Survey—August 549–557
Assistive Technology Training—September 692
Book on Assistive Technology—May 370–372
Books on Workplace Accommodations—June 474
Call for Public Comment on Assistive Technology Specialist Competency Lists—July 536
Certificate Program on Assistive Technology—May 367
Employment Barriers: Access to Assistive Technology and Research Needs—September 664–667
Ground Breaks on National Research and Training Institute in Maryland—March 182
Implementation of Assistive Technology with Students Who Are Visually Impaired: Teachers' Readiness—February 98–105
Lighthouse International Offers Assistive Technology Instructor Program—October 752
New Technology and Employment Center in West Virginia—March 182–183
A Practical Guide to Accommodating People with Visual Impairments in the Workplace. Karen Gourgey, Mark Leeds, Tom McNulty, and Dawn Sauvino. New York: Computer Center for Visually Impaired People (CCVIP), Baruch College, City University of New York. Reviewed by Anthony R. Candela—September 678–681
Preview of Exhibit Collection on Sight—March 181–182
Progressive Report on New Freedom Initiative—July 536–538
Report on Assistive Technology Training in the Workplace—February 120
Survey of the Use of Assistive Technology by Illinois Students Who Are Visually Impaired—February 106–108
Training Tools for Teaching Microsoft Office—August 604
Tutorial on Buying a Computer—February 122
Video on Central Vision Loss—June 473–474

ASSOCIATION FOR EDUCATION AND REHABILITATION OF THE BLIND AND VISUALLY IMPAIRED (AER)

Appointments—January 57
Awards—July 540
Awards—November 814–815
Blindness Field Leaders are Memorialized in Museum—May 366

ATTITUDES

Athletes with Visual Impairments: Attributes and Sports Participation—April 267–272
Employment After Vision Loss: Results of a Collective Case Study—September 615–621
Predictors of Job-Seeking Behavior Among Persons with Visual Impairments—September 635–644
